ABOUT MEEHCON

Following the successful completion of NEEHCON, the Department of Materials Science and Engineering at the National Institute of Technology Calicut is organizing the International Conference on Materials for Energy, Environment, and Healthcare 2024 (MEEHCON '24). The conference scheduled on December 20th and 21st, 2024, aims to bring together leading academic scientists, researchers, research scholars and industrialists to exchange and share their experiences and research results on all aspects of Materials for Energy, Environment, and Healthcare. MEEHCON '24 provides a premier interdisciplinary platform to present and discuss the most recent innovations, trends, and concerns, as well as practical challenges encountered and solutions adopted in these fields. This event also emphasizes the importance of knowledge exchange and fostering collaborations among international institutions, promoting global advancements in materials science and engineering.
